

WORKSHEET NO. 3: WHAT DO YOU KNOW ABOUT A CITY?

Name:

summary (Grade 6.-9.)

Date:

Class:

This concluding worksheet summarizes all you have learnt in previous lessons about cities, how they function and what they are composed of. It also recapitulates what sustainable development is. Read carefully the instructions for each task.

Who is the mayor of the municipality you live in?

Choose the correct definition of sustainable development (SD):

Sustainable development is a development of the society which...

- a) focuses only on its economic aspects.
- b) puts in balance economic development, social progress and environmental preservation.
- c) focuses primarily on reducing the number of cars in cities.
- d) focuses solely on conservation of nature.

In the table below, there are various buildings and facilities. How would you characterize them? – Cross the appropriate choice for each of them. Fill in two other buildings or facilities of your choice into the last two rows and cross their characteristics, too:
